

Statistics Denmark

International reporting – a fully automated process

Jacob Chr. Solander (jcs@dst.dk) 2022

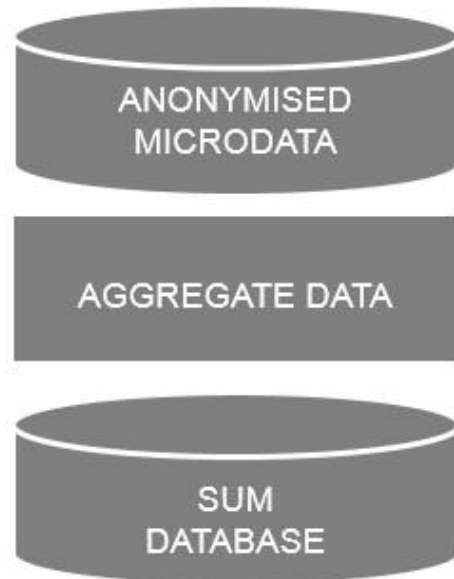

The background

- We NEED to do the job
- Do it SMARTER not harder...
- More time for other IMPORTANT things

Creation of the statistics

INPUT

Registers, questionnaires,
reporting

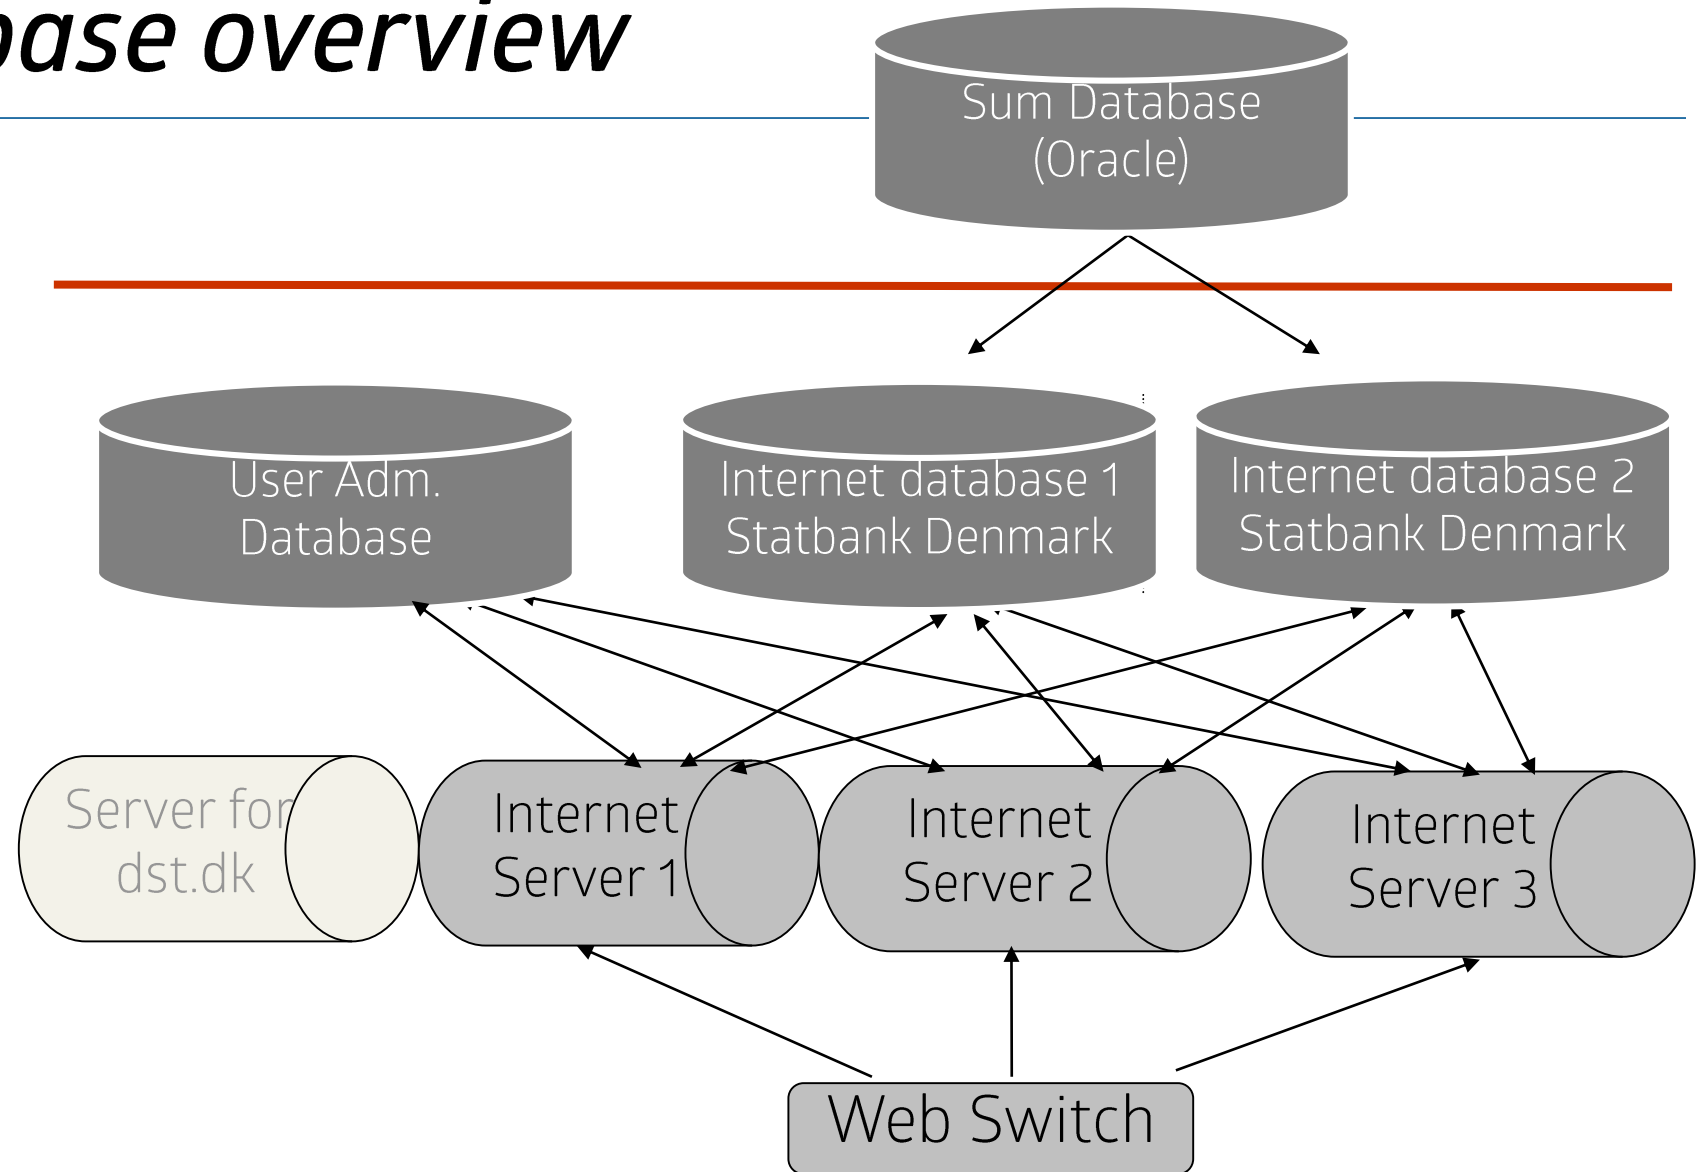

OUTPUT

Sum Database overview

Firewall

Single source

- Why do we aim for **Single source** ?
- Small pieces make the **BIG** picture
- **Reuse** of metadata is just as important as ...
- **Simultaneous** access to data and metadata at 08.00

Next Level !

- New goals
- New challenges
 - SDMX updates !

Questions ?

- Thank you for your attention 😊
